Fourth Graders Study Native Americans

Fourth grade has been immersed in a Native
Americans of Oregon Storyline since
September. Throughout the Storyline we have
partnered with several people to make the
experience richer for students. We had the
privilege of having **Rosanna Saunders** join us
from the **Confederated Tribes of Warm
Springs**. She came several weeks ago to speak

about historical
foods and ways
of the tribes.

Last week she
came to share
the importance
of keeping
historical
traditions alive,
but also to help
students
understand how
Native
Americans live
today. We so
appreciate her
insight and being
able to learn
from her.
Storyline makes
teaching and
learning a
positive experience for all!
