The Kindergarten students have just received many new Math Stations to help reinforce Crook County School District math skills. Kids have received new Number Rockets, Counting Cars, Number Locks & Keys, Learn to Count Play Dough mats, classroom Number Lines, and much more. The kids are excited for more hands-on manipulatives and love their math time!

Jump Rope for Heart Reminder

Our school is proud to support the American Heart Association and help those with special hearts. We are off to a great start. As of Friday we have reached \$1,525 toward our school goal of \$3,500.

Students are busy learning jump rope skills including singles, long ropes, partner stunts, double-dutch and numerous games and other skills. Most importantly, the importance of learning how to have a healthy heart through regular exercise, nutrition, and living tobacco free. Our final Jump Rope for Heart event will take place January 23-26 in PE. There is no need to fill out the permission form since this will be in PE class. Please join our team by registering online at www.heart.org/jump Thanks for supporting us!
