Barnes Butte Families,

I recently wrote a note of thanks to you all about working cooperatively in our parking lots during arrival and dismissal. It runs very smoothly on most days and that is because each driver arrives and departs safely and courteously. It just takes time for the size of our student population. I am very proud of what we do together when we do that well.

Because of that, I'd like to ask for the same level of attention be given to our neighborhood in the morning and our afternoon. We all have a mutual interest in the safety of our students on neighboring streets. Please **drive at 25 miles per hour or less**. The difference in arrival times to drive a bit slower only takes a few seconds. The increase in safety for our students as well as being good neighbors is well worth it. Thank you sincerely for our work together.

Your Principal – Jim Bates
