1st grade had a busy week before heading off to spring break. The Lions Club came and taught 1st graders the importance of the American flag. Each 1st grade got to take a flag home. Then, the 1st graders had a visit from Smokey

The Bear. He taught them about fire safety. His visit ended with a big hug from the big, fluffy bear himself. 1st graders also ended their penguin storyline with a fun culmination. Parents came to hear about their Antarctica adventure and everything they learned about penguins!
