Monday, October 21, 2019

**Tonight! Monday, Oct. 21  
 We need your input!**

Crook County School District administrators plan two community input sessions to develop a plan for Student Success Act funding – **4 to 5 p.m. and 5:30-6:30 p.m. Monday, Oct. 21** in the **Barnes Butte Elementary Library**. We will provide refreshments. Signed into law in May of 2019, the Student Success Act will invest approximately \$2 billion for early learning and K-12 education through a non-competitive grant. We need to meaningfully engage the community to determine the best investments for our students.

**Attendance Parties have begun!**

Barnes Butte students have incentives to be at school. Besides getting a great education, they earn special treats!

When a class has 100% attendance within a week, they earn a reward. They also earn a reward when they have four weeks of 95% or higher attendance.

Classes pick from the Attendance Menu.

The menu offers donuts, popcorn, ice cream sandwiches, frozen fruit bars, root beer floats, extra recess, or a surprise!

Thank you for helping with attendance by getting your child to school every day!

Door open at 7:25, school begins at 7:55 sharp!

*Mrs. Nelson's 1<sup>st</sup> grade class enjoys Root Beer floats!*

**Homecoming Week Fun!**

To celebrate Crook County Homecoming, we are having **dress up** days. Please join in!

**Tuesday – Red, White, Blue Day**

**Wednesday – College or Career Day**

**Thursday – Barnes Butte Day**

**Friday – Blue and Gold Day**

Hello Barnes Butte Families,  
 Thank you for being safe, patient and cooperative each day during drop off and dismissal.

It takes everyone to do their part. When approaching the parking lot, there are two lines. The line of traffic on the left is to enter the center parking lot. The line on the right is for curbside drop off or pick up. When you pull away from the drop off curb, please do so carefully and slowly. Be sure to never block the concrete cross walks and thank you for using those to walk across. The center parking section is for parking drop off only and never for pull through drop off. That's posted near the flag pole zone. We are a large school and traffic runs the best when everyone uses safe practices. Thank you sincerely for your efforts.

Mr. Bates
